Dear Greg

Alsager Neighbourhood Plan (Revision 2025)

Neighbourhood Plan Area Application To the Cheshire East Neighbourhood Planning Team

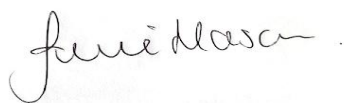

The Neighbourhood Plan for Alsager successfully passed at Referendum in February 2020 and was formally “made” in April 2020.

The Neighbourhood Plan is now five years old, and it is timely for it to be revised to ensure it’s continued compliance with local and national planning policy. A new Neighbourhood Plan Steering Group has been convened, with representation from all interested groups.

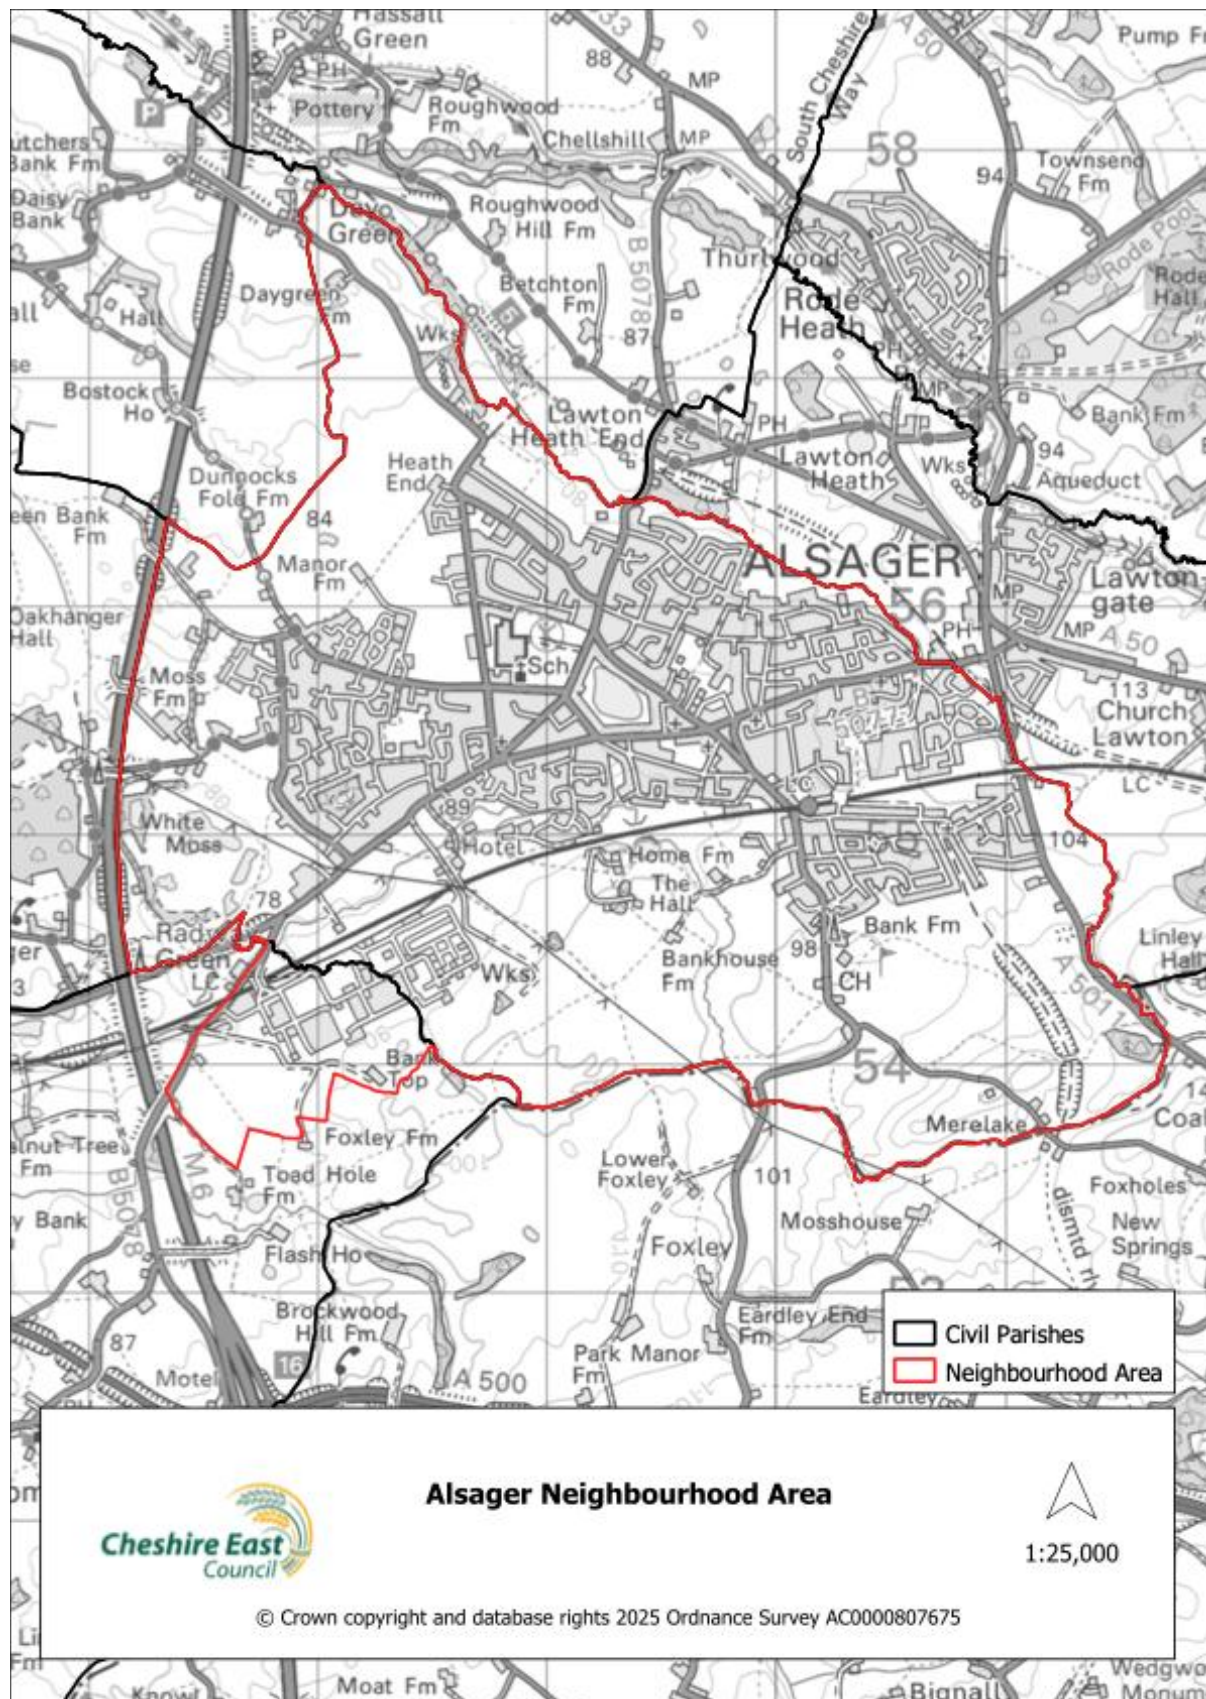

Since the plan was made in 2020 there have been a number of changes in both national and local planning policy. It is the intention of the steering group, in consultation with residents, to review and up-date the plan to ensure it remains fit for purpose and continues to meet local development needs.

The revised Neighbourhood Plan Area being proposed is substantively the same as in 2020. However, following the Community Governance Review in 2023, the M6 motorway bridge is the new, clearly identifiable parish boundary and is shown on the plan attached. We have liaised closely with Haslington Parish Council, to ensure that our shared boundary is now consistent with our revised Neighbourhood Plan Area. Also, Barthomley Parish Council has given permission for the Radway Green Extension Employment site to be included in our Neighbourhood Plan.

Yours sincerely
