Dear Mrs Clarke

ALSAGER NEIGHBOURHOOD PLAN

Barthomley Parish Council considered the matter of the Alsager Neighbourhood Plan at its meeting held on 11th September 2018, particularly the proposal from Alsager Town Council to include all of the Radway Green Trading Estate employment area in its developing Neighbourhood Plan. As stated in the Plan, part of the Estate lies within the boundaries of Barthomley Parish Council.

Having discussed the proposal at the above-mentioned meeting, Barthomley Parish Council agreed to the part of the Radway Green Trading Estate which is in Barthomley parish to be included in the area covered by the Alsager Neighbourhood Plan. Barthomley Parish Council also notes that it is the intention of Alsager Town Council to develop a masterplan for this employment area in conjunction with Cheshire East Council.

Yours sincerely,
Mark Bailey
Clerk & RFO
