Dear Planning Team

Re: Keep Ashley Green Campaign.

I am writing to object to the new homes to be built in Ashley Cheshire.

I go regularly from my [redacted] Church in Ashley. I have been involved in the church for 4 years since my daughter was married here.

The building of houses close by will have a shocking effect on the community and the regular visitors.

The Proposal to use the church car park as an access road will take away Parking for all the church congregation and the People who attend the concerts.

The roads and lanes in Ashley would not accomodate the traffic and amenities that would be needed. It would cause very bad traffic congestion, along the A38/MF6 Corridor. There is also a possibility that it would cause a flood risk by the river Ballin.

It is always enjoyable to see the semi-rural countryside scenery around the area of Ashley.

I strongly object to the housing development.
