Dear Planning Team

Re: Keep Ashley Green Campaign

I am writing to object to new homes being built in Ashley Cheshire.

I walk from [redacted], Ashley [redacted] where I have been actively involved since my daughter was married there 4 years ago. I have various duties at the church, and also help at the numerous concerts held throughout the year.

The building of houses close by will have a devasting effect on the community, and regular visitors. The proposal for the church carpark being taken for an access road will take away parking for all the church congregation and concert goers.

The roads and lanes in and around Ashley will not accommodate traffic or ammenities that would be needed.

There will be severe traffic congestion along the A538/M56 Corridor. There is also a likelihood of an increased flood risk by the River Bollin I walk a few times a week by the River Bollin in a circular walk from [redacted]

I greatly enjoy the semi-rural scenery area of Ashley, and object strongly to housing development.
